(a) Period average.

(b) Half-yearly data.

(c) End of period.

(d) Includes residential and non-residential property.

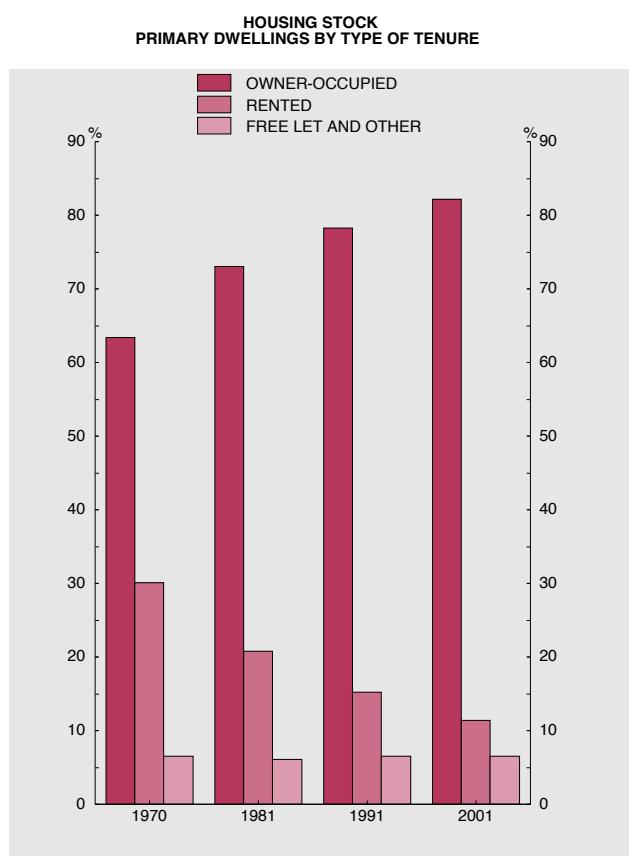

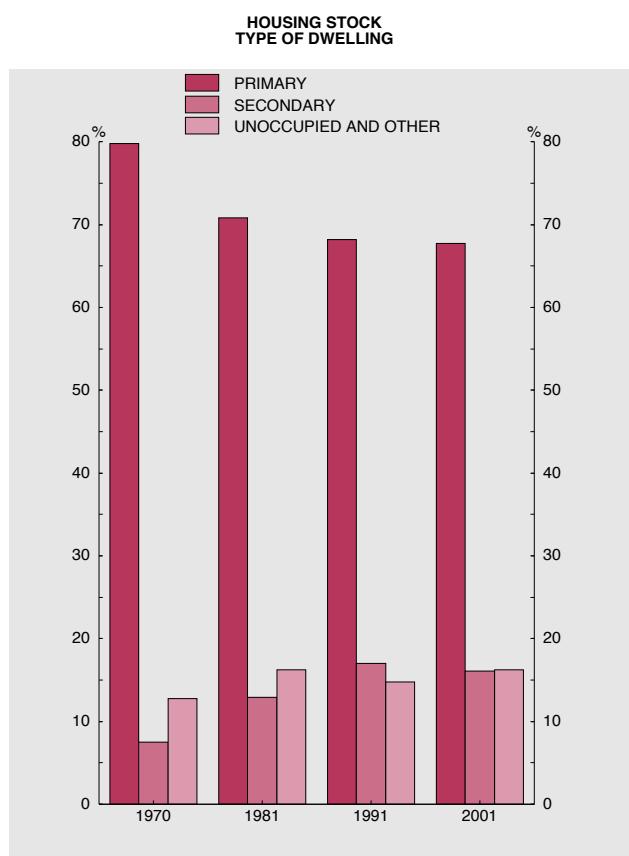

(e) The quarterly data are annual moving averages.

(f) During the period for which no data on the return on money market funds are available, the return on short-term fixed-income investment funds is used.

(g) Excluding money market funds.

(h) The half-yearly data are annual moving averages.
