	Proportion of population	72%	73%	72%	65%	68%	67%	58%	56%	57%		66%	67%	66%

.. Figures not available due to small sample size

Notes on the table

1. This table shows Identified Wealth, i.e. the wealth owned by estates represented by those passing through probate in each year. For 2005 to 2007 this covers 34% of estates. For further details see the accompanying commentary.
